Mekisha – Hey is something wrong?

Russell - I need to talk to you, I need to talk to you in person. I mean I know you're probably not ok with that. You have nothing to worry about, I promise

Mekisha – you are scaring me

Russell - I've told you before don't want anything to happen to you or the kids, there are just things you need to know. That I need to tell you

Mekisha – I'm really scared and I don't know what to do. Move out of state, but I can't

Russell – You don't need to worry, if something was going to happen right now, I would call you right now.

Mekisha – Crying

Russell - I need to talk to you and I don't want to do it over the phone

Mekisha – I'm afraid you're working with him to get me somewhere

Russell – I'll meet you wherever, you have the monitor. You'll know if he's coming. I swear to God I'm not.

Mekisha – but what if it's not him, what if it's someone else?

Russell – I'll meet you at the courthouse, they won't be able to get in. I don't care, they won't be able to get in. I'll meet you wherever you want to meet.

Mekisha – ok

Russell - I swear to God I'm not trying to do anything to hurt you, I'm trying to help you

Mekisha – ok, alright

Russell – There are things I can tell you that you need to know. I'm off Friday, I meet wherever, just tell me where

Mekisha – Ok well, I mean I don't want you to have to drive all the way downtown, I'm just really paranoid he is going to get someone to kill me

Russell – he is not, believe me, I talk to him every single day, he is living with me

Mekisha – well I didn't know where he was living, I don't know anything, I don't know what his state of mind is

Russell – I promise I would tell you, I got the money for his bond

Mekisha – I don't care

Russell – I know, I am telling you this because I want you to trust me. I won't let him hurt you or anyone close to you

Mekisha - ok

Russell – there are things you need to know and I'm only trying to help you

Mekisha – sure you don't mind coming to court

Russell – no that's fine

Mekisha – I'll be done about noon.....well do you think its ok to wait until Friday?

Russell - Yes, if it wasn't I'd tell you

Mekisha – Ok because I'm severely freaked out right now.

Russell – I don't know Jason very well, I haven't known him my whole life

Mekisha – well I do know him Russell

Russell – I know, I've gotten to know him and he's a different character, he's very smart. I didn't know him, but I know him now.

Mekisha – but you don't, you only know the bits and pieces of him that he lets you know.....you still don't know what he's capable of

Russell – you're right I don't really know him. You don't need to worry about him, he has no intent on harming you...

Mekisha – but my divorce is over

Russell – well, I don't want to do this over the phone, I want to do it in person. I feel like this, he's told me things a couple of times that I am not comfortable with. If I don't do something, I won't be able to live with myself if certain things take place, things like that.

Mekisha – OK

Russell – if I tell you, I feel like there are things you can do to stop it.

Mekisha – ok, but are you sure everything is ok right now?

Russell – yes, I swear to God. If I thought he was coming near you or after you, this very instant, I would call you and tell you. We don't call to shoot the shit. If I call, I have something to say, its important

Mekisha – ok I understand

Russell – will text u when I get to court

Mekisha – I knew you were a good person

Russell – well, I don't like to see bad things happen, I've been there.
